Dear

LETTER OF ACCEPTANCE OF APPLICATION

I am delighted to let you know that the application for **First Name Last Name** to enrol at **Northcross Intermediate School** as an International Student has been accepted.

The school is not issuing Offers or Invoices with study dates at this time due to uncertainty as to when the current border closures in New Zealand will be lifted.

As soon as we have certainty from the New Zealand government as to when international students can enter the country we will be in contact with you to confirm the study dates you require and send you an Offer and Invoice. Ngā mihi nui
