

Northcross Team Photos will take place in the first week of Term 4; Tuesday 16 October and Friday 19 October.

Students will need to check what time they will be required for any photo. If in sports photos they will need to have fitness uniform and sports shoes. Other Group photos will require formal uniform. We encourage students to have both sets of uniforms here on the days of the photos. Later in the term families will receive a shoot key from Photolife Studios which gives access to your child's photos and allows you to order any copies you wish to buy.
