

After School Support Classes for International Students & their Parents

At Northcross we understand that the more support we can offer our International Students and their caregivers the easier it will be for them to settle into school life.

It's for this reason that we offer **FREE After School Support Classes for International Student only**. These classes are in addition to ESOL language support during school time. **Classes are held on Tuesday's and Thursdays from 3.15- 4.15.**

We have also introduced a 30-minute **support class for parents and caregivers** on Thursdays from 4.15-4.45. Parents have the opportunity to:

- Learn more about the New Zealand Education System
- Become familiar with the running of the school
- How to register your child for activities and sports
- How to support your child at home
- An opportunity for parents and caregiver to get to know one another.
